

Blyth Spartans football club will continue to grow and be acknowledged as Northumberland's premier football club. And our everlasting mission is to play in the highest level of football of the Football Association's pyramid.

Over recent seasons, it is the junior teams, both boys and girls, which have come on, in "leaps and bounds" both on and off the pitch. Off the pitch all factions under the umbrella of Blyth Spartans Football Club have been awarded with the FA's Charter Standard, but the aim continues as the club, as a whole, makes strides to achieve the ultimate and the awarding of the Football Association's Community Status. Off the field the junior boys teams have begun to challenge for league titles and appear, and in some cases win, cup finals, the future is indeed bright because it is green and white!

As a Director of Blyth Spartans Football Club I feel privileged to be asked and accept the roll of Chairman of Blyth Spartans Juniors. We now cover all "exit" age groups from 8 year old upwards. It will be an aim of this club to coach and train at all age levels, with a view of those players, if the required level of competence is reached, being selected to play semi-professional football for the first team.

yours in sport,
Ian Evans.
